

Basic Detail Report

Title Child's Dress

Date about 1840-1860

Primary Maker Unknown

Medium Hand-stitched cotton

Description Small child's dress of white cotton, with a very wide, square neckline controlled by two drawstrings. The short sleeves are decorated with three narrow tucks and an edging of whitework embroidery. The dress is otherwise plain. The center back opens for a length of 7 3/4 inches; it would have closed with the drawstring.

Dimensions Primary Dimensions (length x width across top): 32 x 21 1/2in. (81.3 x 54.6cm)
