

Basic Detail Report

Title Plans for Julia P. Allen's House, Windsor Locks

Date 1847

Primary Maker Samuel H. Allen

Medium Drawings; pencil, black and brown ink on tissue paper

Description Front elevation, first and second floor plans, and site plan for an Italianate house with brackets, a porch, a bay window, and tall chimneys. The plans indicate the uses of each room and other interior features such as closets, water closet, bathing room, oven, sink, veranda, etc. The site plan includes a carriage path, gardens, fruit trees, spruce trees, a pond, a bridge, and an island surrounded by a brook.
