

Basic Detail Report

Title Infant's Shirt

Date about 1870

Primary Maker Filley family

Medium Hand-stitched cotton, with thread-covered bone (probably) button

Description Infant's shirt of white cotton, with a wide neckline edged with narrow, scalloped whitework. The short sleeves, which are cut one with the body, are open along the top of the arm, the edges rounded and trimmed with the narrow whitework edging. The sleeves are held together at the shoulder with a single thread-covered button. The body of the shirt is wide and slightly flared. It has a center back opening.

Dimensions Primary Dimensions (length x width): 8 1/4 x 16in. (21 x 40.6cm)
