Title Janice Shepardson and Friends in a Bar

Date 1947

Primary Maker Unknown

Medium Photography; gelatin silver print on paper

Description Two similar images of young women posing at a bar, probably a photographer's prop. Two women are seated on the bar with their legs crossed, and there are other women standing behind it. Some of the women hold bottles, some hold cigarettes. The background is painted to look like the back of a bar with a mirror and bottles on the wall. Although some of the same women are in each picture, they appear to be taken at different times as they are wearing different clothing, and some of the hair styles are different.
