

# Basic Detail Report

## **Title Nurse's Uniform Bib**

Date about 1895-1915

Primary Maker E. O'Hara

Medium Machine-stitched cotton

Description Nurse uniform bib of plain white cotton. The center panel of the bib is gathered into a narrow, 5 1/2-inch-wide strip of self-fabric across the bottom.

The sides of the bib are bordered with 2 1/8-inch-wide strips of self-fabric, which extend to become the straps which go over the shoulder and pin to the apron waistband in back. The top of the bib is also bordered with a strip of self-fabric.

Dimensions Primary Dimensions (length with ties outstretched x width across top of bib): 35 x 4 5/8in. (88.9 x 11.8cm)
