Title Caroline Aiken Gage

Date 1860-1870

Primary Maker Morrill's Studio

Medium Photography; albumen prints on paper on cartes-de-visite

Description Studio portraits of a woman in early and late middle age. In the earlier, full-length portrait, she wears a dress with what appears to be velvet trim and stands behind an ornately carved chair and a table with a printed tablecloth. The two later bust-length portraits apparently were taken at the same time. She appears as an older woman, again wearing a dress with what appears to be velvet trim.
