Description Interiors of a building include a large room arranged as a dining room and as a lecture hall, with folding chairs, tables, electric light fixtures, and potted palms. A stage and Windsor chairs are visible in one photograph. Some photographs include men and women seated at tables that are set with dishes, glasses, and candles. One photograph is a group portrait of twenty men posed in front of what appears to be a corporate logo incorporating a rampant lion. The men were suits, neckties, and vests. A clock is on the wall. Sprinkler heads are in the ceiling.
