Description A young man wearing a military uniform stands in the interior of a room, apparently a parlor. He has a mustache and holds a cap in his right hand.

A young woman at his left buckles his belt around his waist. She wears a dress decorated with ruching, ruffles, and undersleeves. She also wears pendant earrings, a brooch, and a snood. Several children stand around them. A girl in the right background leans on the back of a chair. A young boy in the right foreground holds the hilt of the man's sword in his right hand. A drum and drum sticks lie on the floor nearby. A second boy stands at the left holding a toy sword and scabbard. Both boys wear short jackets, knickerbockers, stockings, and shoes. The boy at the left also wears a cap with a tassel, perhaps in imitation of a Zouave uniform. An oval framed portrait of a military officer hangs on the wall. Striped wallpaper is on the wall. Diaper patterned tiles or a floorcloth is on the floor. Drapery is at the right.
