

Basic Detail Report

Title Woman's Pants

Date 1950-1980

Primary Maker Katharine Hepburn

Medium Machine-stitched twill-woven wool with metal zipper and plastic button

Description Woman's twill-woven tan wool pants. The pants have one front and back dart on each side for shaping. The one-inch waistband is edge-stitched and has a center back seam that is split $\frac{3}{4}$ of an inch for ease. The center front closes with a zipper fly and a brown plastic button on the waistband. The bottom hem of the pants measures $2\frac{5}{8}$ inches and is vented on the sideseams. The pants are unlined, and the raw edges are finished with zigzag stitching.

Dimensions Primary Dimensions (length at sideseam x width at hip x waist circumference): $42\frac{1}{4}$ x $19\frac{1}{4}$ in. (107.3 x 48.9cm)
