Medium Mechanically-molded porcelain with pink luster decoration and red, green, and black enamel

Description A group of eight round, porcelain saucers with pink luster decoration. The saucers are part of a larger group of teawares consisting of two teapots, a cream pitcher, a sugar bowl and slop bowl, eight teacups, eight saucers, three plates, and one coffee cup. Each piece is decorated at the rim with a line of pink luster, or gold luster, applied directly to the porcelain to give it a pink appearance, and a border. The border consists of a band of pink luster grapes, green enamel leaves, and red enamel tendrils on a black vine. Like the rest of the set, each saucer has a line of pink luster at the edge of the rim, with the grape, leaf, and vine border just inside. There is an additional pink luster circle in the center of each saucer. The saucers are in generally good condition, with slight wear to the luster; only saucer .18 has significant flaking of the luster at the rim. One saucer (.14) has a crack running across the bottom.
