

Basic Detail Report

Title Ashtray

Date about 1965

Primary Maker The Hartford Faience Co.

Medium Mold-formed porcelain with a brown glaze

Description Round ashtray made of porcelain with an opaque brown glaze. The ashtray is shallow and round, with horizontal ribs on the sides. There is a second circular area inside, intended to hold the ashes or a lighter, with six semi-circular indentations on the rim. There are several light scratches on the top surface of the ashtray.

Dimensions Primary Dimensions (diameter): 6 1/8in. (15.6cm)
