

Basic Detail Report

Title Cameos

Date about 1910

Primary Maker The Hartford Faience Co.

Medium Cameo (.7): Cast white porcelain. Cameo (.8): Cast white and green porcelain.

Description Pair of round porcelain cameos, one with a white background and white raised decoration (.7), and one with a green background and white raised decoration (.8). The raised decoration shows a woman wearing a draped Grecian-style dress sitting on an armchair with a straight back and turned legs. She and the chair are facing left. Her left arm is folded up to rest on the back of the chair, while her right arm stretches forward to rest on her knee. Her feet are resting on a footstool. Behind her is a tall, columnar torchere, with a flame rising out of the top.

Dimensions Primary Dimensions (diameter of each cameo): 2 3/4in. (7cm)
