

Basic Detail Report

Title Pitcher, Stand, and Bowl

Date 1870-1876

Primary Maker Dr. E. H. Davis

Medium Bowl .a: Blown, cut, and engraved colorless glass.

Description Bowl .a: Blown colorless glass bowl with a cut and polished rim, curved sides, and a flat polished bottom. The exterior sides of the bowl are finely engraved with five separate groups of flowers that are connected with a short vine and small flower. Remnants of gilding are visible in some of the engraved portions of the bowl. Many light scratches are visible on the bottom and interior sides of the bowl.

Dimensions Primary Dimensions (diameter of bowl): 7in. (17.8cm)
