Description A man carrying a pair of skis over his shoulder is standing on a snowy hillside, apparently looking back over his shoulder at two additional people, one of them a child, standing at the bottom of the hill. A large, leafless tree is in the right foreground. A wire fence is behind the tree. The top strand of wire appears to be barbed wire. A building, probably a barn, is in the distance beyond a snow-covered field. Additional fields and woods are on the hills in the background.
