The flasks share the same two combinations of raised decorations and words; one combination is on one side of each flask, and the other combination is on the other side. On the opposite side are the words, "WILLINGTON/ GLASS Co/ WEST WILLINGTON/ CONN". The eagle side of figured flask .2 has a square label bordered in red on two sides, with "731/ WGI" hand-written in pencil and ink. The second ring at the rim of flask .2 has a small chip.
