

Basic Detail Report

Title Dish

Date 1860-1900

Primary Maker Unknown

Medium Pressed colorless glass

Description Round, pressed colorless glass dish with an undulating, flared edge, S-curved sides, and a flat bottom. A narrow ledge circles the inner edge of the rim. The top surface of the dish is smooth; the pattern is pressed into the underside. The pattern begins with a multi-pointed star on the bottom. This is surrounded on the sides by three rectangular panels of recessed squares. There are a handful of small and medium-sized chips on the rim of the dish.

Dimensions Primary Dimensions (height x diameter): 1 1/2 x 6 3/8in. (3.8 x 16.2 cm)
