Title Punch Cup

Date 1907

Primary Maker Alma Marie Jaeger

Medium Pressed and etched green glass with gilding

Description Punch cup made of pressed green glass with gilding. The punch cup consists of a compressed, spherical bowl resting on a three-part lobed foot. An ear-shaped handle is applied to one side of the bowl. Opposite this is the etched inscription "Asbury Park/ 1907/ Alma A. Jaeger". The inscription is followed by a scroll embellishment. The bottom of the bowl is connected to a rayed glass border, then a band of raised circles and diagonal lines. These rest on a foot composed of three separate glass lobes. The raised decoration on each lobe consists of a raised circle with scrolled and rayed elements to each side and below. The foot has been gilded on some raised decorations and on all the flat decorations. The underside of the foot, corresponding to the bottom of the bowl, is pressed with a rayed motif. There is some wear and light scratches on the bottom of each lobe of the foot.
