

Basic Detail Report

Title Miniature Basket

Date 1820-1860

Primary Maker Mohegan People

Medium Plain-woven oak?

Description Miniature, square bailed basket made of plain-woven oak (?). The round rim is single wrapped and double reinforces, with half-round interior and exterior reinforcement. A bailed handle attaches on the outside of the basket. The base is openwork. The basket is decorated with rows of units in an unusual design. There is verdigris in the varnish, and it is very dark.

Dimensions Primary Dimensions (height x width x depth): 8 1/8 x 6 15/16 x 6 7/16in. (20.6 x 17.6 x 16.4cm)
