

Basic Detail Report

Title Set of Trick Rings in a Bag

Date 1858

Primary Maker Albert G. Walker

Medium Rings (.a-.h): Brass. Bag (.i): Hand-stitched, plain-woven, printed glazed cotton.

Description Set of eight trick rings (.a-.h) made of brass, in a hand-stitched floral print fabric bag. Four of the rings are closed (.c .d .f .g). The other four (.a .b .e .h) appear to be closed, but they each have an opening where the ends of the metal forming the ring are not fused. Drawstring bag made of hand-stitched, plain-woven printed glazed cotton. The bag has a floral print on a brown ground, with flowers in shades of red, brown, and orange, and leaves in shades of green, brown, and yellow. The white fabric drawstring is housed inside a 7/8-inch hem at the top of the bag; the ends of the drawstring are knotted together.

Dimensions Component (diameter of each ring): 7 3/4in. (19.7cm) Component (length x width of bag): 18 1/2 x 8 3/4in. (47 x 22.2cm)
