Description Large sweat shirt made of white cotton and polyester. The sweat shirt has long sleeves, with fitted cuffs at the end of the sleeves. The waistline of the sweatshirt is also fitted. The decoration on the front is printed in green, blue, silver, and red ink. "25" in red letters and "YEARS" in blue letters is above a silver sunburst. Laid over the sunburst is a blue hockey stick with the date 1975, crossed over a red hockey stick with the date 2000. A blue hockey puck between the sticks reads, "OF". A green banner with blue trim below the hockey sticks reads, "HARTFORD HOCKEY" in white letters trimmed in blue. Three hockey team logos are printed left to right across the design described above. At left, three lime green concentric circles are printed in black with "NEW ENGLAND/ WHALERS" around a white "W". A harpoon crosses horizontally across the logo. The Hartford Wolf Pack logo is on top of the hockey sticks: a silver and blue wolf over the words, "HARTFORD/ WOLF*PACK" in silver and red letters. To the right, a lime green circle encloses a silver area. Inside the silver area, a green "W" over a blue stylized tail forms the stylized image of a whale. The back of the sweat shirt has the same design as the front, but it is monochrome silver on the back.
