

Basic Detail Report

Title Hair Clipper and Extra Spring

Primary Maker Brown & Sharpe

Medium Metal

Description Long metal hair clippers (a) and extra spring (b). Two separate handles attach to two razor blades, one on top of the other. When handles are squeezed together the blades move in opposite directions, and cut hair. The two pieces are held together by a wing-nut with and a screw. A screw sticks out of the left side. Extra spring (b) is two circular layers of metal with each end facing a different direction.

Dimensions Primary Dimensions (height x width x depth): 6 1/4 x 3 x 1 1/2in.

(15.9 x 7.6 x 3.8cm)
