

Basic Detail Report

Title Plate III. The Engagement at The North Bridge in Concord

Date 1775

Primary Maker Amos Doolittle

Medium Engraving; printer's ink and watercolors on laid paper

Description British troops on the right exchange fire with colonial soldiers on the left across an arched wooden bridge over a small river. Fields are in the foreground. Stone walls line the road on which the British soldiers are marching.

Frame buildings, including a large house, trees, and fields surrounded by rail fences are in the background.

Dimensions Frame (frame height x width): 18 5/8 × 24 1/4in. (47.3 × 61.6cm)
