

Basic Detail Report

Title Young Child with Gardening Tool in the Studio

Date about 1900

Primary Maker Harriet V. S. Thorne

Medium Photography; gelatin silver print on paper

Description Portrait of a young child leaning on the handle of what looks like some kind of gardening tool (the end is obscured from view) in what is probably a photographic studio. The background around the subject's body from the knees up has been removed through darkroom manipulation.

Dimensions Primary Dimensions (image height x width): 5 13/16 x 4 3/4in. (14.8 x 12.1cm) Sheet (height x width): 9 13/16 x 7 3/4in. (24.9 x 19.7cm)
