Date 1877

Primary Maker United States Coast Survey

Medium Photo lithography; black printer's ink on paper

Description Sheet 2 of an 11-sheet map of the New Haven, Connecticut, area, primarily conveying the topography, geographical coordinates and different types of land in the area. West Rock Ridge is the main identifying feature of this section, with a river and a road running roughly parallel to the ridge. Land divisions are indicated with dotted lines, and what are presumably roads are indicated with solid parallel lines. Contour lines indicate elevation with the height of the hill provided in feet. Hemlock and Dead Tree are the two areas identified on the land area depicted. Buildings appear to be shown with small rectangular shapes, either shaded or marked with an "x." Additionally, some places beyond the area detailed are provided: Hotchkiss, Quartz Hill, West Rock and Westville, in the case of this map.
