

Basic Detail Report

Title The Smith Sisters' Homestead

Date before 1857

Primary Maker Laurilla Smith

Medium Watercolor on wove paper

Description A white center chimney house, with white clapboard siding and twelve over twelve windows with shutters has a lean-to addition at the rear. The house is surrounded by leafless trees and rail and picket fences. Some trees at the right appear to be fruit trees. A summerhouse, an arbor, and possibly a garden are at the left. Posts in the foreground may be hitching posts.
