

Basic Detail Report

Title Shaving Kit

Primary Maker Richard Welling

Description Shaving kit in leather case. The leather case is all of one piece with a front, top flap that is secured with a snap. The metal shaving kit consists of a handle, head, razors, and chalk. The head consists of two pieces of metal between which the blade sits and which is screwed into the handle. The top piece of the head is etched with faded lettering that reads: "Gillette".

Dimensions Primary Dimensions (length x width): 2 1/4 x 1 3/4in. (5.7 x 4.4cm)
