

Basic Detail Report

Title City of Hartford

Date 1840-1850

Primary Maker Isaac Newton Bolles

Medium Lithography; black printer's ink and watercolor on wove paper

Description Map of the city of Hartford, Connecticut, divided into twelve numbered sections. The streets are all labeled and there are black squares representing the various churches and schools in the city, which are also labeled. The Charter Oak is depicted on Charter Street, east of Main. The Connecticut River and the Little or Mill River (Park River) are the only other natural features depicted.
