Title Vermont from Actual Survey

Date 1795

Primary Maker Amos Doolittle

Medium Engraving; printer's ink on wove paper

Description Map of Vermont with the state of New York to the west, Canada to the north, the state of New Hampshire to the east, and the state of Massachusetts to the south. Town and county boundaries are shown, major rivers and lakes are identified, some roads are shown. Mountains are realistically depicted as ranges of peaks. An eight-point compass rose is at the right, above a scale of miles and an elaborate cartouche with the text in an oval surmounted by evergreen trees and dense foliage, with a rushing stream at the bottom.
