

# Basic Detail Report

## **Title Map of the New England or Eastern States**

Date 1839

Primary Maker James H. Young

Medium Engraving; black printer's ink on wove paper

Description Map of New England, including "Lower Canada" (present-day Quebec), New Brunswick and New York. The New England states are colored pink, green or yellow, and each state is divided into counties, delineated with dotted lines. County towns and capitals are marked on the map. Railroads and canals are shown but are not labeled. Physical features depicted include elevation, conveyed through hachure marks, rivers, lakes, and islands.

Dimensions Primary Dimensions (image height x width): 10 3/8 x 8 1/8in. (26.4 x 20.6cm) Sheet (height x width): 11 5/8 x 9 1/4in. (29.5 x 23.5cm)
