

Basic Detail Report

Title A Map of Norwich, from actual Survey

Date 1833

Primary Maker William Lester Jr.

Medium Engraving; black printer's ink on wove paper, on cardboard

Description Map of Norwich, Connecticut, from Lisbon to the north, the Shetucket River to the east, the Thames River to the south, and Bozrah and Franklin to the west. The map depicts elevation, conveyed with hachure marks; local roads; and dwellings, businesses and public buildings. It appears that dwellings are represented by shaded rectangles. In the top left corner is a list of references that correspond with lettered and numbered buildings on the map. In the lower right corner is an inset map of part of Norwich, which also contains a list of references to lettered and numbered buildings.
