Description A large house in a residential neighborhood appears to be still under construction. The house features an open porch on the ground level and an enclosed porch on the second floor. A third porch is on the left side of the house. Dormers extend forward from the roof line. Piles of dirt and construction debris are on the slope in front of the house. Leafless shrubs are in the foreground. Leafless trees are in the background. A second large house is at the far right.
