

Basic Detail Report

Title Interior of Factory or Warehouse Building

Date 1916-1927

Primary Maker William G. Dudley

Medium Photography; gelatin emulsion on glass

Description The interior of the top floor of a factory or warehouse building is shown. The building appears to be under construction or renovation. Visible are the interior roof and support beams across the top of the building; wooden walls with windows; the floor, which appears to be rubberized or corrugated metal in composition, and rope mechanisms extending from pulleys attached to the upper beams toward the floor.

Dimensions Primary Dimensions (height x width): 5 x 5in. (12.7 x 12.7cm)
