

Basic Detail Report

Title Harbors of Captain's Island East and Captain's Island West

Date 1849

Primary Maker United States Coast Survey

Medium Engraving; printer's ink on wove paper

Description Chart of the coast of Greenwich, Connecticut from Minursen Island to Flat Neck Point, including the Byram River, Byram's Point, Horseneck Point, Bush's Harbor, Chimney Corner, and the mouth of Mannock's River. The nature of the terrain is indicated; elevation is indicated by hachure marks. Roads and buildings are shown, with a cluster of buildings in the village of Saw-Pits. Islands include Captain's Island East (Little Captain's Island) and Captain's Island West (Great Captain's Island), and Calf Island. Soundings are in feet, up to eighteen feet. Sailing directions are at upper left and an explanation of tides is at lower left.
