Title Frank Cheney, Jr. dumping a bucket of water on Helen Cheney

(Bayne's) head.

Date about 1900

Primary Maker Horace Bushnell Cheney Sr.

Medium Photography; gelatin emulsion on glass

Description A young man is holding a bucket over a young woman who is seated on a rocky slope outside what appears to be a cabin or cottage. Both people are wearing bathing costumes. The man is barefoot. Water pours over the woman's head and shoulders and soaks her cap and dress. The bucket is attached to a pulley on what appears to be a clothesline, and appears to have a hole in the bottom to empty the water. Trees are in the background.
