## **Title Cheney Hall Decorated for a Christmas Party**

Date 1903

Primary Maker Horace Bushnell Cheney Sr.

Medium Photography; gelatin emulsion on glass

Description The arched doors and windows of a large hall are draped with evergreen garlands. A Christmas wreath hangs on the wall and there appear to be additional greens or potted plants along the wall above a long row of benches draped with patterned fabric. Curtains hang in an arched opening at the left. What appears to be a corner of a stage is in the right foreground.

Dimensions Primary Dimensions (height x width): 5 x 4in. (12.7 x 10.2cm)
