## Title A House in the Hills

Date about 1921

Primary Maker Horace Bushnell Cheney Sr.

Medium Photography; gelatin silver emulsion on plastic

Description A view from above of a small house and outbuildings in the hills. The house has a chimney and a front porch. There is a small building near the house to the right, and a slightly larger one a bit further away, on the left. A hill rises up behind the house, and there are more in the background. There are several wooden fences enclosing the land around the house and buildings.
