Title A Man With a Cow

Date about 1895

Primary Maker Horace Bushnell Cheney Sr.

Medium Photography; gelatin silver emulsion on plastic

Description View of a man standing outside with a cow. He is standing to the left of the cow and has a rope in his hands, which is probably attached to the animal. They are standing on bare ground. There is one large tree behind and slightly to the right of the cow, and a small house is partially visible behind that tree. There is a row of tall trees in the background, behind the house.
