## Title Child With a Sled

Date about 1914

Primary Maker Horace Bushnell Cheney Sr.

Medium Photography; gelatin silver emulsion on plastic

Description View of a child standing on the slope of a small hill, holding a rope attached to a toboggan. The child is wearing a coat and hat. There is snow on the ground, but there are bare patches where the ground shows through. There is a large house at the top of the hill. It is either the Frank Woodbridge Cheney house or the Knight Dexter Cheney house, both in South Manchester, Connecticut.
