

Basic Detail Report

Title Street View in France

Date 1905-1915

Primary Maker Horace Bushnell Cheney Sr.

Medium Photography; gelatin silver emulsion on plastic

Description View down a street or alley in France. The street itself is paved with bricks and has a concrete sidewalk on either side. There is a woman standing in the middle of the street, quite a distance from the camera. On her right there is a building with "PHARMA" displayed on it in large letters and on the left there is a building with a clock tower.

Dimensions Primary Dimensions (height x width): 4 3/4 × 3 3/4in. (12.1 × 9.5cm)

Sheet (height x width): 4 3/4 × 3 3/4in. (12.1 × 9.5cm)
