

# Basic Detail Report

**Title Union Station Paving and Construction on Trumbull Street,**

**Hartford**

Date 2004-2006

Primary Maker Richard Welling

Medium Photography; color photographs on paper

Description Twenty-two photographs, half of them depicting the paving of Union Place in Hartford, Connecticut. These were most likely taken from the Welling apartment, given the elevated viewpoint. The other half document the construction of what is probably 221 Trumbull Street.

Dimensions Primary Dimensions (image height x width): 4 x 6in. (10.2 x 15.2cm)

Sheet (height x width): 4 x 6in. (10.2 x 15.2cm)
