## Title Off-Ramp Construction, I-84 to Asylum Avenue

Date 1987

Primary Maker Richard Welling

Medium Photomechanical print; black ink on paper

Description Print of the construction of the Asylum Avenue exit ramp along I-84 from below the ramp. A wheeled bulldozer is pictured in front of the supporting posts of the ramp, which curves to the right in front of Bushnell Park, the Parkview Hilton, City Place and other downtown Hartford buildings. On the left are another highway ramp and what appears to be a pile of building materials.
