

Basic Detail Report

Title North Western view of the Congregational and Episcopal Churches, East Haven.

Date probably 1836

Primary Maker John Warner Barber

Medium Drawing; ink on paper

Description View of a central road in East Haven. A woman and child stand beside a fence on the roadside watching a passing horse-drawn vehicle carrying a man and woman. The road is lined with trees and buildings, the first of which on the right, a small structure with three windows on the western side, is the Episcopal Church. Across the road is the Congregational Church.

Dimensions Primary Dimensions (overall height x width): 3 9/16 x 5 1/8in. (9 x 13cm)
