

Basic Detail Report

Title North view of Pequot Hill, Groton (variant)

Date 1836

Primary Maker John Warner Barber

Medium Wood engraving; printer's ink on paper

Description In the foreground, a road leads between two stone walls. A man on foot and a horse-drawn wagon are on the road. The hill itself is largely cleared and divided into fields. A few small buildings are on its top. The village of Portersville and the Mystic River are visible in the left background.

Dimensions Primary Dimensions (overall height x width): 3 9/16 x 5 1/8in. (9 x 13cm)
