

Basic Detail Report

Title 122 Washington Street, Hartford, Connecticut

Date after 1990

Primary Maker Unknown

Medium Photography; colored toner on paper

Description Photograph of the building that formerly housed the John P. Nielsen & Sons Ford Agency, then later the State of Connecticut Environmental Protection, Hazardous Waste. The building is depicted from an angle so that the front and part of the right side are visible. It has large banks of windows on both sides, and a pair of arched windows over the front entrance. There is a man walking on the sidewalk in front of it. Also in front is an illegible sign containing the name of the building, and a car in the right foreground.

Dimensions Primary Dimensions (image height x width): 10 1/2 x 14 7/8in. (26.7 x 37.8cm) Sheet (height x width): 11 x 17 1/8in. (27.9 x 43.5cm)
