Description Gambrel-roofed two-story house with additions in the rear and a fence surrounding the yard. Two women are on the porch. A rocking chair is on the steps by the front door. One man is at the far left. A second man, wearing overalls, holds a paint bucket and brush. Another person is looking out an upstairs window. The large tree on the right appears to be an elm. The trees in the left background appear to be hemlocks.
