

Basic Detail Report

Title John Culver house, probably North Haven

Date 1880-1890

Primary Maker Northern Survey Company

Medium Photography; albumen print on paper on cardboard mount

Description A drive leads from a dirt road through a gate in a picket fence past a large house partially hidden by trees towards a barn or carriage house in the background. The trunks of the trees lining the drive have been painted white.

Large potted plants sit beside the house, which has a small side porch.

Dimensions Primary Dimensions (overall height x width): 6 5/16 x 8 11/16in. (16 x 22cm)
