

Basic Detail Report

Title Students in automobile class working on chassis, Hillyer

Institute, Y.M.C.A., Hartford, January 1911.

Date 1911

Primary Maker John C. Nyser

Medium Photography; gelatin silver print on paper

Description Group of students in work clothes and aprons working on the stripped down chassis of an automobile. One man is working on a tire. Others hold tools, notebooks and automobile parts. A framed print of three views of an industrial building hangs on the back wall. Newspapers are spread on the floor. A window in the brick side wall is open. An electric light bulb hangs from the ceiling on a wire.

Dimensions Primary Dimensions (overall height x width): 7 7/8 x 9 13/16in. (20 x 25cm)
