

Basic Detail Report

Title Wheelwrights or blacksmiths, Unionville (Farmington).

Date 1880-1890

Primary Maker Northern Survey Company

Medium Photography; albumen print on paper on cardboard mount

Description Two men in aprons in front of a barnlike commercial building. One man stands behind carriage wheel and the other holds a hammer. A carriage in the foreground resting on a wood stand is being repaired and is minus one wheel. Two wheels lean on right side of building. The entire right side of the building is covered in advertising posters. Posters include "4-Paws, New Britain, June 5" "Special Railroad Excursions". Three houses are at the right. An outhouse is beside one of them. The Farmington River is in the background.

Dimensions Primary Dimensions (overall height x width): 6 5/16 x 8 11/16in. (16 x 22cm)
