

# Basic Detail Report

## **Title One Astor Place - Steel Up About 25 Stories**

Date 1970

Primary Maker Richard Welling

Medium Drawing; black ink and colored markers on paper

Description Drawing of the site of One Astor Place, with construction partially completed. The building is located at the intersection of West 45th Street and Broadway, which is depicted in the foreground, with pedestrian and automobile traffic, and a person inside a telephone booth. The street signs, traffic light, and posters detailing the building and construction are depicted in color, with the rest in black, white, and shades of gray.

Dimensions Sheet (height x width): 13 3/4 x 10 5/8in. (34.9 x 27cm)
