

# Basic Detail Report

**Title C. B. Rogers and Company and Employees, Norwich**

Date about 1885

Primary Maker Unknown

Medium Photography; albumen print on paper on cardboard mount

Description Industrial factory complex with smokestack on timber lined Thames River. Two people are at door on left closest to water edge. In front of largest building is a steam locomotive with freight cars on track of the New London Northern Railroad. There are two sailboats in foreground. Attached on left of buildings appears to be a house with vines on a porch, outbuildings and a picket fence. On right are additional buildings.

Dimensions Primary Dimensions (overall height x width): 5 1/2 x 8 11/16in. (14 x 22cm)
